## Supporting Communities.

Mining has long been part of the fabric of the Illawarra and Macarthur regions, with our local mines producing some of the world's finest metallurgical critical for local steelmaking.

From September, the South32 Illawarra Metallurgical Coal operations will be owned and operated by GM<sup>3</sup> – a mining and metals company.

GM<sup>3</sup> is positioned for growth and focussed on the future, with a strong commitment to long-term sustainability – social performance, environmental management, operational excellence, and economic contribution.

# GM<sup>3</sup>

a mining and metals company

We are proud to be the Premier Event Partner with Illuminate Wollondilly and look forward to see this festival showcase the very best food, art, and music the region has to offer.
